RAGUSA

THE TOURNAMENT

Like every year the Municipal Police Sport Group of Ragusa organizes the 14th edition of the tournament reserved to the national and international police force. In the past years many countries took part in the event, more than 16 European countries, and our aim is to involve more and more countries.

The tournament purposes are friendship and to let everybody know about our amazing landscapes.

Since the tournament main aims are loyalty, friendship and sportsmanship, we gave importance to the trophy dedicated to fairplay.

THE RESORT

All the teams are staying at ATHENA RESORT****. This hotel is equipped with every modern facility: all the 108 bedrooms have AC, TV, safety deposit box and a nice small balcony.

It is possible to choose among different types of stay: B&B, HB and FB. Water, wine, Coke, Orange Soda and Sprite are included in the meals.

Athena Resort is perfect for those who want just to relax during their holidays thanks to the several available facilities.

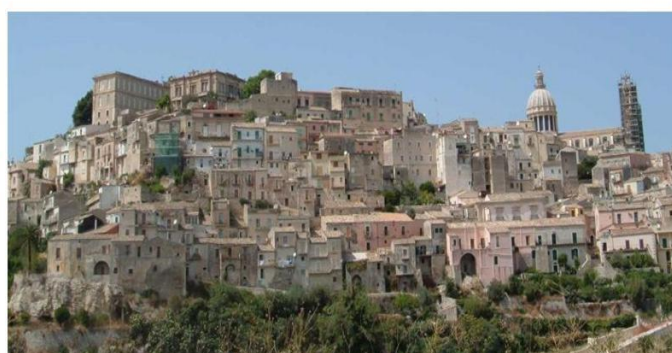

The resort has also a private beach with lawn chairs and parasols. For those who want to have lunch at the beach it is possible to do that at the beach restaurant without going back to the hotel.

Excursions

The Sport Group organizes excursions to Ragusa Ibla, Modica, Noto, Scicli, Mountain Etna and Malta for the people staying more days, or the ones who want to visit our amazing landscapes and discover our Baroque Style.
